

## Serving those in need with compassion

The Chore Services Department provides safe, high quality services. Chore Services are available to all Hancock County homeowners, age 50+, regardless of income. Services are on a first come first serve basis and as scheduling allows with the exception of lawn mowing or snow removal. 50 North reserves the right to inspect and/or access potential chore services. If determined that the work is beyond the scope of what the 50 North staff can complete, you will be given options for assistance.

Homeowners pay for all supplies or building materials needed for service and are billed at an hourly rate. (Scholarships are available and are determined by a sliding fee scale based on family size and income. Contact our Outreach Department at 419-423-8496 for assistance).
