The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with a group size of an average of 37 travelers, up to a maximum of 44 travelers.

Luggage handling is not available when getting on and off the public ferries between Athens, Mykonos, and Santorini. You will need to carry your own luggage for approximately 200 feet each way. As the ferry is the main connection between the mainland and several islands, you can expect large crowds and personnel directing passengers to their destinations with a very quick turnaround.

In order to access the Acropolis archeological site, you will be required to climb about 50-60 steep uneven steps and walk over rugged terrain with loose stones and without railings.

Experience It! Santorini

The Santorini of today is a vacation hotspot of white washed houses and bright blue rooftops – but it wasn't always this way. The island came to be after a massive volcanic eruption, destroying the earliest settlements on what was originally a single island in the southern Aegean Sea. See the history of the early settlements at Akrotiri, an excavation site that details exactly why this area is considered to be the "Minoan Pompeii." For a different perspective of the island, make your way through vineyards and volcanic clifftops to reach the traditional hilltop village of Oia. This island is also known for their modernistic wineries, breweries, Cyclades dining, accomplished artists, and multicolored beaches.

Flavors of Mykonos

\$119 USD

Immerse yourself in the flavors of the Cycladic Islands during a tour of Mykonos' culinary gems. Begin the morning at a local farm where you learn about the traditions and history of cheese making, a craft that in Mykonos achieves almost the status of a local art form with secrets passed down through the generations. Sample Xinotiro, Kopanisti, and Vrasto cheeses and freshly-made yogurt, all produced at the farm. Later, explore more flavors of the island at a local bakery before visiting Ano Mera, a traditional rural village with picturesque whitewashed chapels and iconic blue trimmings. *Duration: Approximately 7.5 hours.* Please note a minimum of 15 passengers is required.

Transportation is included.

Ancient Delos: Apollo's Sacred Island

\$149 USD

Take a step into the past with a half-day excursion to the island of Delos, the fabled birthplace of Apollo and Artemis. After a quick 30-minute boat ride, allow your guide to introduce you to this sprawling UNESCO site. See how the Greek myths intertwine with prehistoric ruins, passing through narrow streets from the Hellenistic age. Tour the awe-inspiring House of Dionysus, a relic from the 4th-century BC containing ancient mosaics and preserved columns. Peruse the Temple of Apollo, the Sacred Lake, and the guardian Naxian Lions with your guide before enjoying time to explore independently. Take in views of the Sacred Island of Delos as you ferry back to Mykonos. *Duration of guided tour is 90 minutes and is subject to favorable weather conditions. Santorini

Island Hopping and Sunset Cruise

\$179 USD

Make the most of a day at leisure and see all that Greece has to offer with an island-hopping adventure and dinner! Set sail for the tiny islet of Nea Kameni – an uninhabited island that is formed on an active volcano. Make your way up the side of the still-active volcano with your local guide, pausing at the top of the crater for unparalleled views. After exploring, return to the boat to set off for your next destination – Palea Kameni. Similar to Nea Kameni, this islet is also of volcanic descent. Jump into the water and swim to the island's rejuvenating hot springs, where you will find ethereal sulfuric waters and therapeutic mud - or choose to relax on the boat. Continue on to Thirassia, an authentic island that embodies the traditional culture of Greece. Later, make a stop close to Oia as the sun sets. Marvel as the sky turns shades of orange and gold before sailing back to port. *This option needs to be pre-purchased one week prior to departure. Availability for purchase while on tour is not guaranteed. Duration: Approximately 7 hours.* Please note a minimum of 10 passengers is required. Transportation is included.
