Itinerary:

Day 1: Fly Detroit to Calgary and transfer to Banff/Canmore to begin **A TRIP OF A LIFETIME**. The **Canadian Rockies** are North America’s ultimate sightseeing destination. Spectacular towering glacier capped mountains, emerald lakes and untamed wildlife make the Rockies one of the most memorable **vacation destinations in the world**. **Overnight for 3 nights at the Coast Plaza in Canmore, “The Gateway to the Rockies,” a lovely town adjacent to Banff**. Surrounded by the breath-taking **Canadian Rockies**, the Coast Plaza is a first-class property with well-appointed guest rooms, indoor pool, fitness center, restaurant and lounge. Dinner included at our hotel. (www.coasthotels.com)

Day 2: Cross the **Continental Divide** and set out for **Yoho National Park** with its towering waterfalls, spectacular scenery and Natural Bridge that spans **Kicking Horse River**. You’ll see Emerald Lake, sparkling with the blue-green hue of a precious jewel. Nothing captures the awe and wonder of Yoho National Park like the tremendous thunder **Takakkaw Falls**. Plunging from a height of 1,250 feet, Canada’s second highest waterfall leaves everyone mesmerized. Conclude our day in Lake Louise and visit the spectacular **Chateau Lake Louise Hotel**. Surrounded by soaring mountain peaks, the majestic **Victoria Glacier** (most photographed place in the world) and a glistening emerald lake, the **iconic Fairmont Chateau Lake Louise** is a UNESCO World Heritage Site, and one of the most beautiful places you will ever visit. Enjoy walking the stunning grounds, enjoy an easy hike along the lake, visit their specialty shops, and enjoy a few choices for casual dining.

Day 3: There is something deep within all of us that is stirred by the grandeur of our natural environment. **Banff National Park**, located in the heart of the Rockies, has some of the most awe-inspiring mountain scenery in the world. Tall rocky peaks, range upon range of towering mountains, open wooded valleys, crystal lakes, narrow canyons, slow moving glaciers and dazzling white ice fields, all preserved in their natural magnificence. A tour of **Banff National Park** creates lifetime memories. Enjoy some leisure time in downtown Banff for specialty shopping and dinner on your own.

Day 4: En route to **Waterton and Glacier National Park**, visit **Head Smashed in Buffalo Jump**, and discover one of the world’s oldest and best preserved buffalo jumps. The Jump bears witness to a method of hunting practiced by native people of the North American plains for nearly 6,000 years. Later arrive in **Waterton Lakes (Canada) National Park** for 3 nights. The massive peaks of the **Rocky Mountains** surround us in this stunning mountain village. Clear lakes, thundering waterfalls, rainbow-colored streams and world-class scenery are on today’s agenda. **Waterton Lakes National Park** borders **Montana’s Glacier National Park** and the scenery is simply incredible! Dinner included. **Lodging: Bayshore Inn or Glacier Suites** (www.bayshoreinn.com or www.watertonsuites.com).

Day 5: Spend the day exploring **Glacier National Park** and the **Going-to-the-Sun Highway**. Set in a rugged section of the **Northern Rockies**, **Glacier Park** is an unspoiled domain of Alpine scenery, deep valleys, glacier peaks and cascading waterfalls. The Going-to-the-Sun Highway has been described as North America’s most spectacular drive! Special Red Jammer vehicles take us along what is known as **“The Crown of the Continent.”**

Day 6: All aboard the historic **MV International** as we cruise along the shoreline of beautiful **Upper Waterton Lake** and cross the International border to **Goat Haunt, Montana**. Discover the **“Jewel of the Rockies”** on this two-nation boat cruise. Enjoy some leisure time this afternoon in downtown Waterton, a stunning village in the heart of the Canadian Rockies. Dinner included.

Day 7: Fly home from Calgary.
